

PUBLISHER'S CIRCULATION STATEMENT

Fastener Technology International, (FTI) is a bimonthly international technical magazine for manufacturers, distributors, OEMs and users of all types of fasteners. Every issue includes a magazine-in-a-magazine section called Fastener Focus (FF) for fastener distributors, OEMs and users. Available in print and digital editions, readers are located in 90 different countries, and subscriptions are free for fastener industry professionals. Additional publications for purchase include the annual Buyers' Guide and the Fastener News Report newsletter. FTI also contributes to Fully Threaded Radio podcast, and it publishes directories for fastener trade shows.
